Miss Deah

Head Teacher

土瓜灣分校

<http://enrichenglish.hk>

Tell us about yourself. What made you decide to be a teacher?

Ever since I was young, I have always wanted to become a teacher. The ability to **share my knowledge, be a part of children's journey** in discovering their potential, and **help them improve their skills** is what inspires me to be an educator.

-Excerpt

What are your goals as the Head Teacher?

As an HT (Head Teacher), my goals are **to ensure that teachers are well-equipped with the knowledge and skills** necessary to conduct their classes effectively [...] that students have **an enjoyable experience exploring and learning** in the classroom, and **that parents are well-informed** about their children's current level and satisfied with their progress.

-Excerpt

How do you ensure effective communication and collaboration between teachers, staff, and parents?

I **instill a culture of teamwork** in the workplace. I see to it that everyone understands their roles and how they affect each other. I also always tell the team **to get to know their students and work with the parents** in helping their kids hone their skills and discover more about themselves. We **keep an open communication** with each other to keep us updated with things that we need to know on a daily basis.

Miss Juhi

Head Teacher

黃大仙分校

新蒲崗分校

<http://enrichenglish.hk>

Tell us about yourself. What made you decide to be a teacher?

It was during one of the summer holidays when I took on the role of a teaching assistant, and from that moment forward, I knew that this was my calling. **Sharing knowledge, igniting a love for learning, and assisting students in reaching their full potential** bring me immense joy. Teaching allows me the opportunity to **make a meaningful impact on society** by shaping young minds and contributing to the development of future generations [...]

-Excerpt

What are your goals as the Head Teacher?

I have a few goals, but there are three main ones that I give greater importance to:

The first goal is **Academic Excellence**.

At Enrich English, we strongly believe that learning is fostered through interest [...]

-Excerpt

What are your goals as the Head Teacher?

The second goal is **Staff Development**. I prioritize supporting the professional growth and development of our teachers by providing opportunities for training, mentoring, and collaboration to enhance their skills and knowledge. The third goal is **Student Well-being**.

My objective is to ensure the well-being and welfare of our students, both academically and emotionally [...]

-Excerpt

How do you ensure effective communication and collaboration between teachers, staff, and parents?

Communication is key to ensuring smooth operations. We have established clear and open lines of communication among teachers, staff, and parents by utilizing various channels. Additionally, I utilize technology tools and platforms to facilitate seamless collaboration and information sharing. We have fostered **a culture of collaboration and teamwork** [...]

Mr. Idan

Head Teacher

荃灣西分校

<http://enrichenglish.hk>

Tell us about yourself. What made you decide to be a teacher?

Teaching has always greatly appealed to me. Both of my parents were teachers, so I grew up with **a deep respect for educators.** I looked up to my teachers and aspire to follow their examples in the classroom. [...] Being a teacher has never been dull, and few jobs are as **influential and rewarding.**

-Excerpt

What are your goals as the Head Teacher?

My primary objective is to ensure that the team I lead **delivers exceptional teaching quality**. Equally important to me is ensuring that **the students they teach have a positive and enjoyable experience**. [...]

-Excerpt

What are your goals as the Head Teacher?

I strive for students to have fun
while using English and to retain
that joyful feeling as they grow older. [...]

I motivate my team and
remind them of the importance
of **fostering a positive
learning environment** [...]

-Excerpt

How do you ensure effective communication and collaboration between teachers, staff, and parents?

At the core of every action is **the intention to listen and be open to new ideas.** [...] The key is to **avoid imposing opinions or practices on others.**

By understanding each other's viewpoints, all parties can **find common ground** and **generate alternative solutions** that benefit everyone and foster growth. [...]
